Consultation Form

Dear Friends of the FCIS Foundation – Members, Associates, Volunteers, Partners, and all recipients of our missionary activities,

After 15 years of operation, the FCIS Foundation has taken on the challenge of adopting a multi-year development strategy with new goals, a vision for development, and innovative social service projects.

We are an organization founded on strong social values and close to people.

We invite you to consult our Strategy to 2030. Therefore, please complete a short survey.

The FCIS Foundation Strategy documents to 2030 are available on the website:

www.fundacja.fcis.pl

Please direct all inquiries regarding the consultation to: fundacja.fcis@gmail.com or by phone at +48 662085729.

Public consultations are carried out as part of the public task entitled "Development of social innovation networks in Poland" with the support of the Government Program for the Development of Civil Society Organizations for 2018-2030 CSODev.

QUESTIONS:

1. Identify three strengths of the FCIS Foundation's mission and vision by 2030.

The mission by 2030 is: "Creating innovative social solutions that improve the quality of life of residents in terms of health, education, and ecology, and increasing development opportunities for people from groups at risk of social isolation and requiring special social support."

The vision by 2030 is: "Creating a space and managing a network of social services called Podlaskie Therapeutic Gardens and introducing internationally innovative solutions in Poland that facilitate the functioning and development of every person."
