Development Strategy of the Center for Initiatives for Society Foundation FCIS to 2030

MISSION, VISION, GOALS

Dear Friends of the FCIS Foundation – Members, Associates, Volunteers, Partners, and all recipients of our missionary activities,

After 15 years of operation, the FCIS Foundation has taken on the challenge of adopting a multi-year development strategy with new goals, a vision for development, and innovative social service projects.

We are an organization founded on strong social values and close to people.

We invite you to consult our Strategy to 2030.

The FCIS Foundation Strategy documents to 2030 are available on the website:

www.fundacja.fcis.pl

Please direct all inquiries regarding the consultation to: fundacja.fcis@gmail.com or by phone at +48 662085729.

Public consultations are carried out as part of the public task entitled "Development of social innovation networks in Poland" with the support of the Government Program for the Development of Civil Society Organizations for 2018-2030 CSODev.

Eliza Szadkowska

President of the Foundation's Management Board

FOR CIVIL SOCIETY ORGANISATIONS DEVELOPMENT FOR 2018-2030 CSODev

Development Strategy of the Center for Initiatives for Society Foundation to 2030

Motto: Your mental and developmental support in Nature!

MISSION:

Creating innovative social solutions that improve the quality of life of residents in terms of health, education, and ecology, and increasing development opportunities for people from groups at risk of social isolation and requiring special social support.

VISION:

Creating a space and managing a network of social services called Podlaskie Therapeutic Gardens and introducing internationally innovative solutions in Poland that facilitate the functioning and development of every person.

Strategic goals of the FCIS Foundation until 2030:

GOAL I. Developing the Foundation's organizational potential

- wider access to the service market,
- expanding business activities with new,
- innovative services,
- developing human potential

FINANCED BY THE NATIONAL INSTITUTE OF FREEDOM –
CENTER FOR CIVIL SOCIETY DEVELOPMENT AS PART OF THE GOVERNMENT PROGRAMME
FOR CIVIL SOCIETY ORGANISATIONS DEVELOPMENT FOR 2018-2030 CSODev

Development Strategy of the Center for Initiatives for Society Foundation to 2030

- developing volunteering.

GOAL II. Professionalization

- creating a high-availability and high-quality offer of social services,
- better prepared foundation staff,
- effective partnership - increased cooperation with other market entities in the country and abroad, in particular with the business sector,
- coordinated system of service provision.

GOAL III. Flexible resilience

- ensuring organizational security and stability,
- ensuring financial stability – 4 permanent pillars of business financing,
- counteracting negative social phenomena,
- limiting negative impact on the environment.

Projects planned for implementation as part of the FCIS Development Strategy until 2030:

- 1) LARGE GOAL/PROJECT - Network of Podlasie Therapeutic Gardens (innovative social services in the field of ecotherapy, education, and health-promoting recreation created together with partners),
