

FUNDACJA CENTRUM INICJATYW NA RZECZ SPOŁECZEŃSTWA

Your mental support and development in nature

The mission of the foundation is to support people in discovering their potential and carrying out initiatives that positively transform their lives and local communities.

We create a space for growth, collaboration, and the development of bold social projects.

Support the creation of Podlaskie Therapeutic Gardens – unique places where nature supports health, relaxation and well-being, where everyone can find peace, balance and new inspiration.
